PREVIEW OF KOREAN PROFESSOR
3rd

JANUARY 7-10, 2004
NIFT, NEWDELY

Organize
The Korean Society for Clothing Industry
Greetings

It gives me immense pleasure to host an exhibition for the works of the members of The Korean Society for Clothing Industry at the National Resource Centre (NRC) of the National Institute of Fashion Technology (NIFT), New Delhi. NIFT is a premier institute in India imparting Fashion Business Education with International Benchmarking and its NRC is a repository of rare and exquisite collections of Textiles and Crafts painstakingly sourced from the craftspeople, collectors and the museums over a period of time, from India and the world over.

I am impressed to see the great progress made by the Fashion Industry in Korea by raising the level of academic research. For all those seriously concerned with the Fashion Industry in the 21st century, this event is a very meaningful event. The main objective of this exhibition is to sum up the regional experiences accumulated by Koreans in the global context and share it with the other regions of the world.

We convey our best wishes to the Korean Society for Clothing Industry for the success of their initiative.

January 2004

Gauri Kumar
Director General
The National Institute of Fashion Technology

Greetings

I am very glad to exhibit the works of the Korean Society for Clothing Industry members at the National Institute of Fashion Technology (NIFT), which is a distinguished Indian fashion institute.

This (Preview of Korean Professor) is third oversea exhibition for the purpose of increasing Korean fashion level to creative cultural goods and contributing to appear on the world stage.

Our the Korean Society for Clothing Industry has been relationship with several counties fashion institute through semiannual oversea clothing industry training, since foundation in 1988.

Now our third exhibition (Preview of Korean Professor) will be held NIFT in India, which has a lot ability in fashion.

Therefore, this exhibition will be held from a part of cultural exchange between our society and NIFT, and will be valuable opportunity to contribute fashion exchange and development of both countries.

Finally, I very appreciate Gauri Kumar director general and all other NIFT concerned to invite us for this exhibition.

January 2004
